## General Summer Camp Questions

- What is the camp staff to camper ratio?
  - On-site the ratio is 1:8 and on field trips is 1:5
- Is the field trip schedule out yet?
  - No, our trip schedule will be posted in March. But there are 2 field trips per week (Tuesday and Friday, occasionally Wednesday).
- When are the pool days?
  - Pool days are Tuesdays.
- What does the camp schedule look like?
  - Specific details may vary based on group. However, we do offer 2 trip days per week, and concessions on Wednesdays.
- I registered for the 7:30am - 6:00pm, do I have to drop them off at that time?
  - No, signing up for this timeframe allows you to drop off as early as 7:30am and pick up as late as 6:00pm. You can drop off any time before 9:00am to avoid any issues with camp movement. Though we plan on returning back to our site at 3:00pm, it is advised to pick up closer to 3:30pm or later on trip days due to traffic.
- Does my camper have to wear their camp shirt everyday?
  - No, but we do ask that your camper wears it on trip days.
- What if the trip is outside and there is bad weather?
  - We will choose an alternative trip to accommodate the weather. In the event we are not able to find an alternative option, we will stay on-site and offer more activities for the campers. There will be no credit/refund for non-attendance. The trip will not be rescheduled.

## Adventurers on the Go Camp Questions

- Is the Great America pass included in the fee? (On Tuesdays occasionally Thursdays)
  - No, families must provide their own season pass. Campers must have access to Great America and Hurricane Harbor.
- Is the field trip schedule out yet?
  - No, our trip schedule will be posted in March.
- The camp session is scheduled from 7:30am - 6:00pm, do I have to drop my camper off at that time or pick my camper up that late?

- Not necessarily, campers will go on a field trip every day they are scheduled. Timeframes may vary due to the trip schedule so it may not be the same each day. Parents will be notified on the latest time their camper can arrive at camp and our approximate time of arrival. However, arriving earlier than that timeframe will allow counselors to plan better with activities.
- What if the trip is outside and there is bad weather?
  - We will choose an alternative trip to accommodate the weather. In the event we are not able to find an alternative option, we will stay on-site and offer more activities for the campers. There will be no credit/refund for non-attendance. The trip will not be rescheduled.
- What if there is a trip change due to administrative error?
  - You will be notified as soon as possible. If we are able to reschedule the trip, we will accommodate the space to the best of our ability. The camper will still have to register for that day, if not already, as normal. For campers that will be affected in the new change and will like to cancel they will receive a refund.
    - Example - The Forge scheduled for June 17 is now scheduled for July 17
      - Campers will enjoy an alternative trip on June 17 and if interested will be able to register for July 17. Even if we reach the day's maximum as we will accommodate space to the best of our ability.
      - Those that were already registered on July 17 and wish not to participate in the new trip may receive a full refund.
