WAIVERS: York Center Park District does not accept liability for participants injured in a Park District program. Participants must furnish their own medical and accident insurance. All participants must sign the multiple waiver and release form which is located on the reverse side of the registration form. Download the form at http://ycpdfun.com/forms/5954_ycpd_reg_waiver_form.pdf.

INSURANCE: The York Center Park District does not provide medical insurance coverage for those participating in recreation programs or while using park facilities. Such insurance would make programs and user fees prohibitive.

CODE OF CONDUCT/BEHAVIOR EXPECTATIONS:

YCPD participants are expected to demonstrate appropriate behavior at all times. The following is a list of the Park District's behavior codes, which have been developed to help make the programs safe and enjoyable for all participants. Additional rules or guidelines may be developed for specific programs if deemed necessary by YCPD staff.

1. Show respect to fellow participants and staff.
2. Abstain from using abusive or foul language.
3. Abstain from causing or threatening bodily harm to self, fellow participants or staff.
4. Show respect to equipment and facilities.

Additional or individual behavior management plans may be developed based on the advice of parents, guardians, YCPD staff, or other professionals. A caring, fair and positive approach will be utilized regarding the use of any disciplinary methods. Each situation will be evaluated individually and on its own merit. YCPD reserves the right to dismiss a participant at any time.

AMERICAN DISABILITIES ACT (ADA): People with disabilities, please note: The York Center Park District will not discriminate against eligible residents for participation on the basis of a disabling condition. "We invite any participant with a special need to contact our staff upon registration so that a smooth inclusion may occur." In addition to the programs listed here, our district provides additional specialized services for people with disabilities through Gateway, see below for more information.

YORK CENTER PARK DISTRICT *Mission & Vision*

The York Center Park District was organized in 1971 with the following goals:

- To conduct programs which will enhance the leisure life of residents and their families.
- To encourage groups to develop such programs.
- To conserve the area's natural environment values.
- To acquire, protect, and develop other valuable resources.
- To strive to protect the community from environmentally destructive and degrading influences.

In order to facilitate the achievement of these goals, the Board of Commissioners has approved a series of policies and ordinances governing the operation of the district. Procedures have been developed to carry out these policies. Through these policies and procedures, the Board of Commissioners and staff of the York Center Park District maintain their commitment to providing a high quality of leisure service to all residents of the district.
