

York Center Park District

Memorial Benches / Trees / Bricks

The York Center Park District offers an opportunity to mark life’s special moments or commemorate loved ones with a green growing gift that will last for generations. Planting a tree, sponsoring a bench or buying a brick is a special way to remember births, weddings, graduations, retirements or deaths. Businesses, churches, groups, families, or individuals may contribute to our parks’ beautification with one of these memorials. The Purchaser may request a location for their memorial, but the Park District retains the right to approve and determine the specific memorial location.

A limited number of trees will be planted each year. Orders must be placed by the last Friday in June for trees to be planted in the fall. Purchasers will be kept informed as to approximate dates their tree will be planted, and their plaque installed. Bench or brick may be installed at your requested time.

- Each dedicated tree includes a 4” by 8” plaque with up to four lines (twenty characters each line) of engraving. The plaque is mounted on an angled display brick base and anchored beneath the tree.
- Each bench includes a stainless-steel engraved plaque that fits in the center of the back.
- Bricks are engraved and placed in our garden circle at Knolls Community Park. Bricks come in two sizes: 6”x12” for \$75 which will accommodate four lines of text with 18 characters per line or 12”x12” for \$150 which will accommodate 9 lines of text with 18 characters per line.

(In the event a memorial tree does not survive, a new tree (similar variety and size as originally planted) will be installed by the Park District for up to 10 years after the first planting. After 10 years if a tree needs to be removed because it has died or any other reasons determined by the park district, the memorial plaque will be returned to the individual, family, or group who originally purchased the memorial.)
